Equal Opportunities + Advocacy

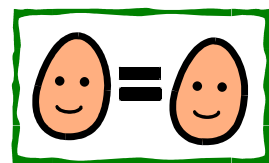

An **Advocate** is someone who is trained to support a Person's views to be heard

An **Advocacy Partner** is the Person who has support to make their views heard

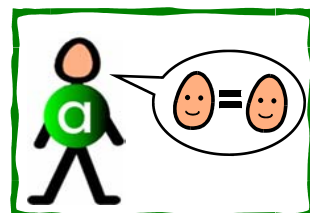

Advocacy believes that the Advocacy Partners voice and views are important

Advocacy is based on **Equal Opportunities**

Equal Opportunities is about equal chances + fighting discrimination (unfair treatment)

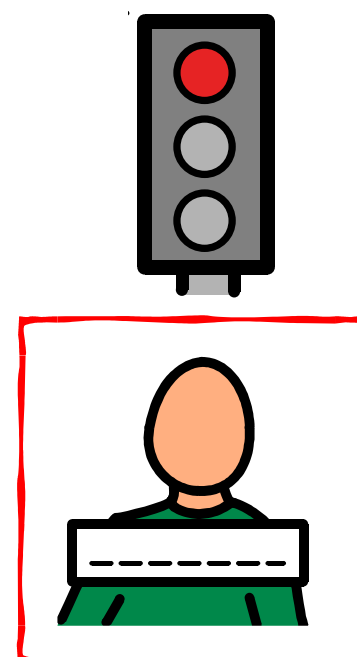

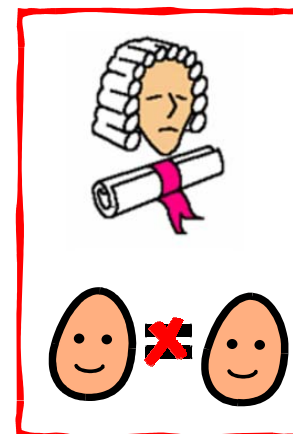

An Advocate will support you to tackle discrimination by others against you

Discrimination is wrong!

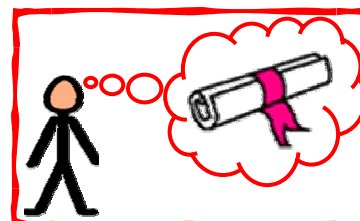

It is against the law to discriminate against :

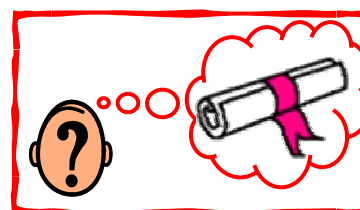

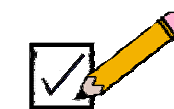

- × Colour
- × Age
- × Gender
- × Sexuality
- × Religion
- × Disability

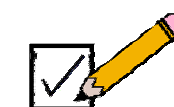

Dealing with Discrimination!

1. Check if the Advocacy Partner knows about their rights

2. Check who is already dealing with the discrimination

3. Check if the Advocacy Partner wants to make a complaint
